Kids of all ages can interact with the animals. They can ride the farm wagon, see how milk is produced, feed the chickens and count their eggs. Everyone can eat the goodies from the farm store. Don't forget to visit the petting zoo! Athletics, sports, activities, and entertainment are a great way to connect with youth. But they don't have to be expensive or take a lot of time. Fortunately, several nonprofit organizations in our area offer a variety of low-cost, hands-on programs that may be of interest to your organization or group. The My Brother's World! youth group ministry for teens and tweens offers fun and challenging programs that instill a sense of community, provide opportunities for spiritual growth, and give teens and tweens a solid foundation for the rest of their lives. Your teens and tweens will find friends, grow in their faith, and be challenged to see themselves and others through God's eyes. Parents of the teens and tweens should contact My Brother's World! at 330-383-9911 to learn about the ministry and/or inquire about available programs.
